

Sour

Stomach, sometimes called waterbrash, and burning pain, distress, nausea, dyspepsia, are cured by Hood's Sarsaparilla. This it accomplishes because with its wonderful power as a blood purifier, Hood's Sarsaparilla gently tones and strengthens the stomach and digestive organs, invigorates the liver, creates an appetite, gives refreshing sleep, and raises the health tone. In cases of dyspepsia and indigestion it seems to have "a magic touch."

"For over 12 years I suffered from sour

Stomach

with severe pains across my shoulders, and great distress. I had violent nausea which would leave me very weak and unable to get my breath. These ailments came often and more severe. I did not receive any lasting benefit from medicine, but found such happy effects from Hood's Sarsaparilla, that I bought several bottles and mean to always keep it in the house. I am now able to do my own work, which for six years I have been unable to do. My husband and son have also been greatly benefited by Hood's Sarsaparilla—for pains in the back, and after the grip. I gladly recommend this grand blood medicine."

FIT FOR A DIME MUSEUM
[Eugene Register.]

The Salem Evening Post, in writing up a political gathering at Jefferson last Saturday, has the following to say of Salem's famous editorial paragon:

"Colonel Hofer was the principle speaker. A correspondent writes that he pitched into everybody and everything. Sometimes the Populists cheered, sometimes the Republicans, and sometimes the Democrats. Sometimes the Populists swore, sometimes the Republicans, sometimes the Democrats, and sometimes all three together. The colonel's own politics, like the sex of a plant, will be revealed later. Politically Hofer is a freak, and should be either encouraged in his efforts to make a party to order, or else be exhibited in a dime museum."

The above is copied by the Oregonian with great joy. The editor of THE JOURNAL at Jefferson abused no one, "Governor" Fletcher to the contrary. He stated some plain facts in a plain way, about needed reforms in the legislature and state government, to the satisfaction of the taxpayers. Mr. Fletcher may get a few dollars out of a certain class, who are plundering the people; they may even pat him on the back for his witicism at our expense; but time alone will tell who is a time-server, and who is not.

MARION.

D'Arcy was roasted the second time by Barkley, at the meeting of the Republicans and Democrats, on Saturday evening. The meeting was called to order by Lon Walker, president of the Marion Republican club. E. H. Chapman was the first on the list, who spoke in favor of economy, protection, bimetallism and America for Americans.

McKinley Mitchell came next, who made a few brief remarks. Next came D'Arcy, followed by Barkley, Craig and others; after which Jap Minto, Durbin and Wrigman was called to face the audience and introduced themselves before the company, thus closing the fun for the evening.

M. S. Norton and a nephew of his drove to Albany Saturday to hear "Cyclone" Davis speak, in the interest of the People's party.

Quite a number of the members of the Friends church, here, attended quarterly meeting at Salem, Friday, Saturday and Sunday of last week, returning on Monday.

Mrs. N. O. Morris, who has been at Newberg for three weeks, returned to her home here on Monday.

Miss Anna Ritz, who has been attending school at Highland for some time, was at home over the Sabbath, returning to school again Monday.

The Woodmen are busy here, preparing the grounds for the coming picnic, in the grove near town, which comes off Tuesday of next week.

Some of the candidates on the People's party ticket, spoke to the citizens of Marion Monday evening, to a full house, and while there was many good things said, there was nothing new brought out, but they still are making many fair promises of the many good things which we may expect, when they come into power in '97.

Wm. Webb drove to Stayton Tuesday.

REPUBLICAN PLATFORM.

The representatives of the Republicans of the state of Oregon assembled, call attention to the condition of industry throughout the country, as a proof of the necessity of returning to the policy of the Republican party under which there was general prosperity during thirty years.

We reaffirm the principles of the Republican national platform of 1892, and assert that the results that have followed the change decreed by the election of that year have justified our protest against the national policy adopted by the Democratic party.

We believe that the government should have an ample revenue, with a sufficient surplus over ordinary expenditures to provide for coast defenses, for the steady building up of the navy, and for the constant reduction of the public debt. We believe that the present tariff, with its lowered rates and its destructive and dishonest system of undervaluations and discriminations as to localities, should be replaced by one framed on protective principles similar to that of the McKinley bill and arranged to give ample protection to American wages and American industry, and to restore the reciprocity policy of James G. Blaine.

We have always given protection to our shipbuilders. In late years we have neglected to protect our shipowners. We believe the time has come to restore to the policy of Washington and Hamilton, which, by discriminating duties in favor of American bottoms, secured 90 per cent of our carrying trade to American ships, and which, if now restored, will again revive our shipping and cause American freights to be paid to Americans.

The American people, from tradition and interest, favor bimetallism, and the Republican party demands the use of both gold and silver as standard money with such restrictions and under such provisions to be determined by legislation, as will secure the maintenance of the parity of values of the two metals, so that the purchasing and debt-paying power of the dollar, whether of silver, gold or paper, shall be at all times equal.

The interest of the producers of the country—its farmers and its workmen—demand that every dollar, paper or coin, issued by the government shall be as good as any other dollar.

Resolved, That we earnestly endorse the proposed amendment to the constitution of the United States, providing for the election of United States senators by popular vote, recently reported from the committee on privileges and elections by Senator Mitchell and now pending consideration in the United States senate.

Resolved, That the application of the Oregon delegation in congress to the president of the United States and now pending before him, praying a modification of his proclamation creating the Cascade forest reserve, is hereby earnestly approved, and we appeal to the president to grant the prayer of our delegation in congress.

We realize the importance and magnitude of the fishing industry on the Columbia river and would recommend that some provisions be made for a state hatchery for artificial propagation, and that the laws regulating the closed season be rigidly enforced.

That we endorse the efforts of our representatives in congress to secure reparation to the settlers of Oregon of the excess of \$1.25 per acre wrongfully collected by the government on lands located in the limits of the nearness Northern Pacific railroad land grant now forfeited.

The construction of the Nicaragua canal is of the highest importance to the American people, both as a measure of national defense and to build up and maintain American commerce. It is moreover of special importance to our Pacific states and we demand its completion as speedily as possible by the government of the United States.

We hereby endorse the action of our senators and representatives in congress in their endeavor to secure grants of pensions to Indian war veterans.

We pledge the Republican party to a rigid economy in the expenditure of public money; to the reduction of excessive salaries; and the abolishment of the fee system whenever possible, and of all useless commissions; and believe that no appropriation should be made to any school or charitable institution not under the control of the state; and oppose the incorporation into the general appropriation bill of items for the expenditure of public money not authorized by law.

We demand the enactment of rigid restrictions on foreign immigration, both for protection of our country against illiterate and vicious classes from foreign lands and for protection of our labor and preservation to our own people of the remainder of our national domain.

We commend the policy of the Republican party in relation to internal improvements, and in particular in opening our waterways to commerce, and we denounce the illiberality of Democratic party in these important matters.

Respectfully submitted,
T. E. FELL, Secretary.
Sol. Hirsch, Chairman.

When love knocks at a woman's heart he usually comes in disguise. Doesn't want it known what he's up to. If she knew all about the little rascal, would she let him in? That's a question.

Women are apt to look upon love and marriage as purely a matter of sentiment and affection. That is pretty nearly right; yet there is a practical side to it too; and the best way to preserve the ideal aspect of marriage and maternity is not to forget the practical part of it. A woman cannot be a thoroughly happy wife and mother unless she has the distinctive physical organism of her sex in a healthy and vigorous condition. The best friend that woman ever had is the "Favorite Prescription," of Dr. R. V. Pierce, Chief Consulting Physician of the "Invalids' Hotel" and Surgical Institute, Buffalo, N. Y. The "Favorite Prescription," is a perfect and infallible remedy for every form of female weakness. It cures by restoring health and strength to the system, which cannot be reached by any other means, and the cure is radical, complete and constitutional.

Dr. Pierce's eminent reputation as a physician of wide learning; and his special knowledge of the delicate and intricate organism of women, accounts for the unparalleled confidence, which women place in his "Favorite Prescription," over every other remedy. Its use obviates the necessity of dread "examinations" and the stereotyped "local treatments."

Dr. R. V. Pierce, Dear Sir—I suffered fourteen years with female weakness, nervousness, and general debility, trying everything I could find to help me—all to no avail. I then heard of your "Favorite Prescription," and I was thoroughly discouraged, I thought I would try once more to find relief. I took your "Favorite Prescription," and to my great surprise and joy, I found that it gave me the relief I had been seeking for so long. I am now free from the former troubles. Very sincerely yours,
Mrs. Mary J. Stewart.

CASTORIA

for Infants and Children.

MOTHERS, Do You Know

that Paregoric, Bateman's Drops, Godfrey's Cordial, many so-called Soothing Syrups, and most remedies for children are composed of opium or morphine?

Do You Know that opium and morphine are stupefying narcotic poisons?

Do You Know that in most countries druggists are not permitted to sell narcotics without labeling them poisons?

Do You Know that you should not permit any medicine to be given your child unless you or your physician know of what it is composed?

Do You Know that Castoria is a purely vegetable preparation, and that a list of its ingredients is published with every bottle?

Do You Know that Castoria is the prescription of the famous Dr. Samuel Picher. That it has been in use for nearly thirty years, and that more Castoria is now sold than of all other remedies for children combined?

Do You Know that the Patent Office Department of the United States, and of other countries, have issued exclusive right to Dr. Picher and his assigns to use the word "Castoria" and its formula, and that to imitate them is a state prison offense?

Do You Know that one of the reasons for granting this government protection was because Castoria had been proven to be absolutely harmless?

Do You Know that 35 average doses of Castoria are furnished for 35 cents, or one cent a dose?

Do You Know that when possessed of this perfect preparation, your children may be kept well, and that you may have unbroken rest?

Well, these things are worth knowing. They are facts.

The fac-simile signature of *Dr. H. Picher* is on every wrapper.

THE JOURNAL is pre-eminently a paper for the people, in news, politics and editorial opinions.

A large volume of social news and good home matter of interest to the feminine part of the family is one of the attractive features of THE JOURNAL, the only newspaper in Oregon employing a lady editor.
